

Jon McClenahan Named Animation Director of Star Farm Productions

Media Advisory for March 15, 2006

Chicago, IL – Jon McClenahan has been appointed Animation Director of Star Farm Productions. McClenahan will oversee all current and upcoming animation production including the Edgar & Ellen TV series and specials and will lead the art production in the Visual Development Department. Jon will report directly to Chief Production Officer Barbara Ferro.

"Jon will be a valuable asset to the team as we develop the Edgar & Ellen made for TV specials and series and other animated properties across the globe," Ferro said.

McClenahan comes to the Farm with over 24 years of experience in the industry and a long list of impressive accomplishments from all over the world. Most recently, McClenahan served as FMV Manager for Midway Amusement Games working on games for Playstation 2 and Xbox. Prior to that position, McClenahan was Animation Director for MoonToons GmbH in Germany; Founder President, Producer, Director, Instructor, and Animator at StarToons in Illinois; and Director at Hanna-Barbera Australia.

Highlights from his Director/Supervising Director credits include "Till Eulenspiegel," "Histeria," "Pinkey and the Brain," "Animaniacs," "Taz-Mania," "Tiny Toon Adventures," "Teen Wolf," and "The Berenstain Bears."

About Star Farm Productions:

Star Farm Productions® creates entertainment the way today's digital generation consumes it – simultaneously in multiple media providing opportunities for its technology-centric audience to engage with it, not just consume it. Star Farm creates, develops, and produces books, television, and online communities – to publishers, broadcasters, advertisers, and consumer product companies, and their customers include Nickelodeon, Simon & Schuster Children's Publishing, Mattel® and other global leaders in the family market.
